THE CUSTOMER'S RESPONSIBILITIES

Chestnut Lodge is a luxury property valued at well over £600,000.

The maximum number of guests allowed to stay in the property is 8 including children. You are **NOT** permitted to invite additional guests to join you in the property at any point during your stay.

During your stay, no displays or decorations are to be affixed in any way to any part of the property.

In the colder months, if operating the wood burner, the following conditions apply:

Only wood supplied by the Company can be burned on the wood burner.

Newspapers, kindling and bags of wood can be purchased from the Company and added to your pre-arrival package should you require them.

To lay and use the fire correctly:

(We advise the Customer utilises the person in their group with the most experience of using real fires).

- Scrunch up around 15 sheets of newspaper into loose balls and pack them into the base of the fire.
- Lay around 6-8 lengths of kindling wood on top of the newspaper in a criss-cross formation.
- Light the fire by lighting various corners of the scrunched-up newspapers in the base.
- Open the vent on the door to help create a draw of air and the fire will naturally establish.
- Close the door fully and enjoy.
- When the fire is established, close the vent to whatever level you require to maintain the fire and level of heat you may prefer.
- The handle of the door and the cast iron of the woodburner will become extremely hot through use. You **MUST** use the protective glove provided to open and close the door and to add wood during use and ensure **ALL** guests are made aware of the need to stand away from the fire and **NEVER** touch it during use.
- Even when the fire dies out, the woodburner will remain hot for a number of hours afterwards, so be careful **NOT** to touch it without using the glove provided.
- To ensure the best fire and to avoid hot sparks landing on the carpet, always close the door during use.
- **NEVER** leave the fire unattended.
- **NEVER** go to bed whilst the fire is still on.

Candles may **NOT** be lit inside any part of the property.

Smoking is not permitted inside the property and any smoking, must take place out of doors, well away from the property (in accordance with legal requirements) and cigarette ends, cigar butts, pipe ash, matches, etc. must be placed in the receptacle provided for that purpose.

STRICTLY NO SMOKING OR VAPOR CIGARETTES ARE PERMITTED IN THE HOUSE.

If you have booked Chestnut Lodge for a Wedding stay, it is not permissible to throw confetti, rice, petals etc inside the house or outside in the garden grounds. Please inform your guests of this policy to avoid embarrassment and additional charges.

You will respect the interests of other nearby Estate residents and in particular, keep music and other noise at a reasonable volume for the time of day or night. All music must stop not later than 11pm.

Parking is permitted only on those areas designated for guests of Chestnut Lodge.

In wet weather, the grassy areas of the garden or wider Estate can leave grass and mud on shoes. Therefore, to avoid causing stains on carpets and incurring damage fees, we encourage you to remove outdoor shoes before re-entering the property. Simply put, please treat Chestnut Lodge as if it were your own home.

Accommodation in the property is strictly for a maximum of 8 guests, including any children. Parties or any other type of gathering is strictly prohibited. Not adhering to this condition will result in the complete loss of security deposit as well as the Legal right to serve further damage costs to you.

All children staying in the property should be supervised at all times. You are welcome to enjoy our wider Estate grounds and the Customer makes use of the grounds purely at their own risk.

For safety, the CHILD LOCKS on the top floor windows must be in the 'restricted opening' position at all times.

Company members of staff are always present at Carberry Tower Mansion House and will be available to assist you should a need arise during your stay. Any instruction given by such persons regarding safety, security or compliance with conditions as set out above, must be strictly observed. Should any guests be unable to correct any aspect of poor behaviour or activities unacceptable to The Company as set out above, we reserve the right to terminate the Services without any form of refund to the Customer, should a suitable resolution not be agreed.

It is the Customer's responsibility to ensure that the garden grounds and property are cleared of all items belonging to the Customer and respectfully cleaned upon departure. An additional charge may be applied to the Customer for time and labour required to remove or send on any such items.

You will not attach anything to, or suspend anything from, the structure of the house or surrounding trees during your stay. You hereby indemnify The Company against any loss suffered by us as a result of your failure to comply with this clause.

The Company accepts no responsibility to you or any other party for loss of or damage to any items left or stored by you in the property or garden grounds.

All doors, including the French doors to the garden (which have two locks and must both be locked) must be locked if you leave the property for the day and at night-time.

It is the responsibility of the Customer to ensure the good conduct of their guests and any damage caused or additional labour required by the Company to remedy any damage, or to carry out additional cleaning required will be charged to the Customer.
