FESTIVE AFTERNOON TEA

From late November we will be serving fabulously Festive Afternoon Teas in the Drawing Room, Music Room and Library on our first floor.

Our Festive Afternoon Tea has a delightful array of savouries, sweet treats and hand-made scones for you to enjoy, along with steaming coffees and wonderfully infused teas. For an even more decadent treat try our amazing 3 course Grand Festive Afternoon Tea – go on, it's Christmas!

And for that little bit of extra indulgence why not spoil yourself by adding a deliciously chilled glass of Prosecco or Champagne.
After this year, we think you deserve it!
